DETAILED ACTION

1. Receipt of the amendment filed 3/11/2008 is acknowledged. Claims 1-7, 10-26, 34 and 49 are presented to be examined upon their merits.

Election/Restrictions

2. Claims 8-9, and 27-48 withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention(s), there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 11/05/2008

Information Disclosure Statement

3. The information disclosure statement (IDS) submitted on 11/10/2008 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Response to Arguments

4. Applicant's arguments, filed 11/05/2008 have been fully considered and are persuasive. However, 35 USC 11 Rejections are provided below.

Claim Rejections - 35 USC § 112

5. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

6. Claims 1-7, 11-26 and 49 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Art Unit: 3696

7. Claims 1-7 rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential steps, such omission amounting to a gap between the steps. See MPEP § 2172.01. The omitted steps are: What do you mean by "identifying at the computer system a set of option spreads corresponding to values for the set of *searchable* parameters matching the user defined search parameter" Don't you mean that matching is performed *from* a set of search parameters and user-defined search criteria? What is the difference between identifying and matching? By saying "searchable" parameters it is implied that there are unsearchable parameters. What is the distinction between the two sets?

Allowable Subject Matter

8. Claims 1-7 and 10-26 and 49 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
